Please Don't Be A No Show!

If you are unable to use your reservations, please let us know. When your plans change, we welcome a call so that we can make a confirmed seat available to other passengers. You'll be helping your fellow travelers and you'll be helping CAPE AIR to serve you better.

If your plans change and you do not use one segment of your travel itinerary, please call our reservations office to confirm the remaining portion of your itinerary. If you do not notify us of your change, your return flight will be automatically cancelled.

Check In

CAPE AIR passengers must check-in 30 mins. prior to scheduled departure time.

Baggage

CAPE AIR passengers are allowed, free of charge, 2 pcs. of checked baggage with a maximum total weight of 70 lbs. Excess baggage will be carried on a space available basis.

Air Freight

Freight is carried on all flights when weight & size permit. Please inquire for appropriate rates.
