...between the start of building in 1878 and the reopening of the Riffelalp Resort so many exciting things have happened that the story reads like a novel...

You can find a foretaste of your holiday and a glimpse of our eventful past at www.riffelalp.com!

What can you experience nowadays on Riffelalp?

Peace and quiet: *There is no more peaceful a place than Riffelalp... or have you already heard total silence?*

Nature: *You are in the heart of nature with a mountain-top panorama, including the Matterhorn, stretching out at your feet; you can almost touch the world-famous mountain peaks from your bedroom window...*

"St.-Trop-Alp": *our Wellness Center "St.-Trop-Alp" with indoor pool and Europe's highest outdoor swimming pool (35°C), stone steam bath, stone grotto, various massages and dream-time-world welcomes you.*

In winter: *The ski area is directly accessible from the hotel (ski in – ski out). Our in-house ski-man will provide you with warmed ski boots and fully maintained skis. You are now ready for the excursions with Yann, our Riffelalp ski guide. And in the evening he will take you curling on our natural ice rink.*

In summer: *Right outside the door you will find an Alpine adventure awaiting you. In the evening, relaxed by a pleasant tiredness, you can travel on the highest tram in Europe through the Arvenwald forest back to the Riffelalp Resort where foxes and marmots wish each other "good night".*

Riffelalp Special: *Enjoy a fantastic leisure package with bowling, home cinema, a wine bar, Lodge bar with an open fireplace, snooker, pool and a wellness centre. Delight your palate with a visit to the Alexander Restaurant, the cosy atmosphere of the Walliserkeller and the Dine-Around programme in Zermatt.*

Arrival: *...is like a little adventure in itself... You will be welcomed in our private car park in Täsch if you come by car. And once you reach Zermatt our porter is there to help you! "That's service for you!"*

We look forward to seeing you! Alpine Greetings!
