## Riffelalp Resort located above Zermatt

My favorite resort in Europe is hands-down the Riffelalp Resort at 2222 (elevation) on the Gornergrat mountain high above Zermatt. The staff, breakfast buffet, service, suites, and view is outstanding. The view of the iconic Matterhorn is only a breath away. The spa has recently been renewed and the suites are as lovely as ever, with cozy Swiss style throughout. Everything works in this classic Chalet-feel hotel. Located near the border of Italy, the cuisine is Italian and Swiss. Lots of trails for hiking are located right out the door of the hotel.
