Amsterdam Airport Hilton

Everything works well except the shower. Poor choice of low-flow shower heads or lack of water pressure on the 11th floor. In either case, an awful shower.

Worst I've had in Europe. And this is the executive floor (9-11).

Hilton, you can do better. Stop product shorting.

Side Note: Same issue on floor 10. Lower floors (8th) seems to have ok flow and pressure.
