Hilton Airport Schipol Amsterdam

Everything works well except the shower. Poor choice of low-flow shower heads or lack of water pressure on the 11th floor. In either case, an awful shower.

Worst I've had in Europe. And this is the executive floor (9-11).

Hilton, you can do better. Stop product shorting.

Side Note: Same issue on floor 10. Lower floors (8th) seems to have ok flow and pressure.

Worst Shower in Any Hilton I've Been In

Low flow or poor pressure on Executive Floors 10 and 11.

Product shorting.

Hilton Amsterdam, you can do better.

This is the worst of any Hilton I've been in.
