Ameron 121

Room 121 had about 30 minutes of door lock problems, but they reset the door and the keycard worked flawlessly since.

A nice welcoming gift of Plum Liquor (I don't drink - so left it there) and Davos honey greeted me in the room.

The hotel was about quarter to half full, mostly with convention people (Davos seems to be a popular meeting place even outside of the World Economic Conference in January).

As always, I use Luigi Taxi.
