Need to Know!

Arrival: 06:00am

All Aboard: 04:30pm

We know you're eager and excited to start exploring in port – we are too! However, please wait until we announce that the gangways are open before heading that way. We promise to disembark you as soon as we can!

Important Notification

When going ashore, please carry your Ocean Medallion™ and a government-issued photo ID. Please take extra precaution with your personal belongings when going ashore.

Skagway

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike, but it wasn't the easiest. Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampedes. Many a would-be miner perished on the treacherous Chilkoot Trail. The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population of about 20,000. Hotels, saloons, dance halls and gambling houses prospered. But when the gold yield dwindled in 1900, so did the population as miners quickly shifted to new finds in Nome. Today, Skagway has less than 1,000 residents. It still retains the flavor of the gold rush era.

Advisory - Shuttle Bus Service

Please be aware that in 2022, the port area in Skagway was impacted by nearby rockslides. Due to ongoing construction mitigation efforts, guests are currently not permitted to walk in the affected areas. To ensure your safety and convenience, the port will provide a shuttle service to transport guests to and from the ship. Shuttle services will run continuously following arrival, with an approximate travel time of 10 minutes each way. **Kindly be advised that long lines could be expected from 03:30pm to 04:30pm.**

For all guests booked on a Princess excursion, please meet at the designated time and location stated on your ticket. Additionally, due to potential changes in weather conditions, please note that there are no sheltered areas available at the pier.

Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."

Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.
