Important Information

In accordance with local restrictions and for safety reasons during our Liquefied Natural Gas (LNG) bunkering, **guests will not be permitted to smoke anywhere onboard after 6:30am.**

We apologize for any inconvenience this may cause. Once the bunkering process is complete, a ship wide announcement will be made. We thank you for your understanding and cooperation in this very important safety matter.

For all guests who wish to smoke, designated smoking is available in the employee parking lot (Lot B). For your convenience, a complimentary shuttle service operates continuously. Guests may board the shuttle directly in front of the cruise ship terminal. Shuttle service is available upon arrival, once arrival clearance has been granted, and continues until sailing. The shuttle ride to Lot B takes approximately one to two minutes. Our terminal team will be pleased to assist with directions or answer any questions you may have.
