Need to Know!

Arrival: 06:00am

All Aboard: 02:30pm

We know you're eager and excited to start exploring in port – we are too! However, please wait until we announce that the gangways are open before heading that way. We promise to disembark you as soon as we can!

Important Notification

When going ashore, please carry your Ocean Medallion™ and a government-issued photo ID. Please take extra precaution with your personal belongings when going ashore.

Ketchikan

Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as an Indian fishing camp. The name Ketchikan comes from a Tlingit phrase that means "eagle with spread-out wings," a reference to a waterfall near town. In the early 1900s, when gold was Alaska's claim to fame, fishing and timber industries were established in Ketchikan. The growth of these industries helped make this Inside Passage port Alaska's fourth-largest city. Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. The Haida, Tlingit and Tsimshian are all a part of the city's colorful history. Ketchikan, with its abundance of salmon, is also a sportfishing paradise. Sightseers will be impressed with both the scenic town and its surroundings, especially Misty Fjords National Monument.

Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.
